

Model and Description

LAN	B2	□	□	□□
Model	Design No.	Material of mounting latches B: Metal C: Plastics	Appearance: (Table 1)	Symbol code and contact form: (Table 1)

Table 1

Appearance		Symbol code and contact form		
A: Flat (with symbol)		Symbol code (Table 2)		
A: Flat(without symbol)		1: White	N/A	1:1NO
C:φ40Mushroom self-reseting		2: Black		2:1NC
R:φ60Mushroom self-reseting		3: Green		3:2NO
P: Flat with sealing cap		4: Red		4:2NC
T: Pull-push emergency button		5: Yellow		5:1NO+1NC
L: Extended type		6: Blue		
S: Mushroom(self-lock),turn to reset(emergency button)		4:φ30	4: Red	2:1NC
S1: Key type emergency button		5:φ40		
D: Standard lever knob type		2: 2positions lock,manual reset		
J: Long lever knob type		3: 3positions lock,manual reset		
G: Key type		4: 2positions,automatic reset from right		
K: Lighted knob type	1: White	5: 3positions,automatic reset from left and right		
	3: Green	6: Direct lighting		
	4: Red	7: With resistor		
	5: Yellow	1:1NO		
	6: Blue	2:1NC		
	7: Transparent	3:2NO		
L8: Two head button		3: Two flush		
		4: One flush,one extended		
		2: Red +Green		
		5:1NO+1NC		
W3: Lighted full-guard flat		1: White		
		3: Green		
		4: Red		
		5: Yellow		
		6: Blue		
		7: Transparent		
		6: Direct lighting		
		7: With resistor		
		1:1NO		
		2:1NC		
		3:2NO		
		4:2NC		
		5:1NO+1NC		
W8: Lighted two head button		3: Two flush		
		4: One flush,one extended		
		6: Direct lighting		
		7: With resistor		
		5:1NO+1NC		
V: Lamp sockets		6: Direct lighting		
		7: With resistor		
		1: White		
		3: Green		
		4: Red		
		5: Yellow		
		6: Blue		
		N/A		
V1: Lamp sockets(plastic)		6: Direct lighting		
		1: White		
		3: Green		
		4: Red		
		5: Yellow		
		6: Blue		
		N/A		
E: Switch blocks		101:1NO contact units		
		102:1NC contact units

Application and Feature

LANB4 series push button is applied to the 50HZ/60HZ,380VAC,220VDC control circuits or auxiliary circuits, works as circuit switch in the machinery equipment.it is widely used in the electrical equipment,machine tools,ship equipment,textile machinery,etc.

Approved standards:GB14048.5 IEC60947-5-1.

Mounting

	Flat button / Lighted type / Key type / Standard lever knob type	Mushroom / Long lever knob type
